Piazza Mercato Centrale 23, Firenze

23-12-1997, The Netherlands

Profile

Annieke Boer, born in the Netherlands, began her visual journey studying Communication and Design. With this base and led by her curiosity, she took off across borders to study fiction film in Belgium, journalism and psychology in New Zealand and worked in Prague. Recently, she graduated in cinematography at the ZeLIG school for documentary, in Bolzano. Being based in Italy, she started to work as assistant and camera person in short films and documentaries.
